

ADMISSION NOTICE

BANGLADESH UNIVERSITY OF PROFESSIONALS (BUP)

A Public University Supported by the Armed Forces

Mirpur Cantonment, Dhaka -1216

Website: www.bup.edu.bd

Department of Environmental Science (DES)

Faculty of Science and Technology (FST)

ADMISSION ON (Certificate Course)

Certificate Course on Renewable Energy & Environment
Certificate Course on Energy Management & Conservation
(Session: January 2019)

BUP invites application from potential candidates for Certificate Courses under the Department of Environmental Science, Faculty of Science and Technology (FST).

OVERVIEW AND PROSPECT OF THE CERTIFICATE COURSES

There is a growing sense of national and global urgency regarding carbon and climate change with particular emphasis on our energy system. Use of renewable source of energy, proper energy management and auditing could be an effective solution for global energy crisis. These courses will help to explore our wide range of traditional and renewable energy sources and how these options affect our environment and society. The participants will learn the importance of monitoring and controlling energy and resource consumption in industrial and commercial settings. The course covers how to develop and implement energy management programs and conduct energy audits.

So, grab the opportunities and boost your carrier as an energy and environmental expert and contribute to the country's dream to achieve SDGs.
