SEMESTER OUTLINE

PREFACE

1. **General.** This Green Booklet is primarily meant for the BA (Hons) in English students of Faculty of Arts and Social Sciences of BUP, who are admitted in session 2017. It is equally applicable to all faculty members and administrative officers and staff involved with the preparation and implementation of the course curriculum and the logistics involved. It contains the comprehensive Semester Outline of the courses of 2nd year, 3rd semester and includes the Class Routine incorporating a column each for the Day/Date, Class Timing, Name of the Section (A or B), Location (Classroom Number), Course Code, Topic/Event, Teacher/Faculty Member and Remarks/Discussion Points. The Booklet is also a basic guideline indicating the modes of conduct of the course curriculum. It accommodates all relevant information required for the whole semester including all central events (e.g. sports, games or cultural competitions, National Day(s) celebrations, seminars, cultural programs, etc.). In a nutshell, this Booklet is the ready to answer all your questions regarding 2nd year, 3rd Semester BA (Hons) in English of Session 2017.
2. **Semester Starting and Finishing Dates.** The semester starts on 04 January, 2017 and finishes on 01 June 2017.
3. **Timing and Conduct of Classes.** Every week starts on Sunday and finishes on Thursday, making it a five-day working week. Each Section shall have two classes per day. So, there will be total ten classes per week for each Section. Each class shall be of 90 minutes duration, of which 60 minutes shall be dedicated for lecture, and the rest 30 minutes shall be spent for discussions by the students. The mode and conduct of discussions shall be designed by the class-teacher as per the 'Remarks/Discussion' column of the 'Class Routine' given in the following pages.
4. **Discipline.** BUP emphasizes utmost importance to discipline, which is equally applicable to the students as well as all faculty members, officers and staffs. Here, discipline is the order of the day. A few of the important disciplinary aspects are elucidated below:
 - a. Discipline starts with the dress code. Every student is to follow the dress code explained to them by the authority.
 - b. Students must attend all classes, central events and other curriculum of the semester. Absence from any of those events is unacceptable unless substantiated by valid reason(s) with documentary evidence(s). Reasons, such as, 'I could not come in time due to traffic jam.' or 'because there was no one at home to look after my sick mother.' or 'because the roads went under water due to rain or bad weather.' or 'due to political disturbances.', etc. are not accepted. If the student is unable to attend the curriculum for own sickness, either he/she or his/her parents should inform the course coordinator in advance. Medical documents in this regard shall be submitted by the student to the coordinator on the first day of his/her arrival in BUP campus after such sickness.

c. Classes start at right time as mentioned in the Class Routine without any deviation. Any student failing to be in class within 5 minutes of starting time shall not be allowed to enter the classroom by the 'Classroom Door Attendant'. This does not mean that students shall make it a habit of routinely entering the classrooms after five minutes of the starting time. It is advised that the students should be in the classroom five minutes prior to the starting time of any class, so that they can settle down and be mentally prepared to listen to the lecture by heart.

d. Students must not engage themselves in any quarrel, physical fighting or verbally abusing each other or with any member of BUP. Such conduct may lead to the expelling of the student(s) concerned, as recommended by the Disciplinary Committee of BUP.

Disciplinary aspects are also mentioned enabling the students to have a prior understanding of the culture of discipline of BUP.
