

To, all my graduating student of Batch 2016 “CONGRATULATIONS”. I would also like to offer my appreciation to the family members and faculties who have inspired and supported you all.

To all the students graduating from Bachelor of Business Administration (BBA), I am immensely proud of each of you. Your accomplishments and achievements have been truly remarkable and inspiring. This is also a testament of your sincerity and dedication. This is a very important milestone for you and represents a time of hope and excitement. It also marks the beginning of new collaborations. I believe that all of you have the potential to make a significant impact in the world. As you begin your careers or continue with your studies, we perceive that you’ll be well prepared to lead in your respective fields and continue to contribute positively to the new challenges facing today’s society. The opportunities are waiting for you, be ready to recognize them and take advantage of them. Following the University’s motto is “Excellence through Knowledge”, You have all built excellent foundations; but the work isn’t done yet. You represent the future. You have the ability to make it a better, brighter, more sustainable and more importantly a safer world for everyone.

Although you are graduating, you will always be a member of the Bangladesh University of Professionals (BUP) family. We encourage you to stay connected with our Faculty of Business Studies (FBS), join the Alumni Association, and support our programs. I also encourage you to keep us updated on the many achievements that In Sha Allah you will experience in your careers and personal lives. We will always take great pride in your achievements.

Congratulations again on your achievements and wish you a bright future filled with boundless opportunities. The entire Bangladesh University of Professionals (BUP) family is very proud of you.

Germinate Flamboyantly BUPians and be a better Human Being. May The Almighty bless us all.
