

Dear Students of FASS,

AA. I sincerely hope and pray that you including all members of your family are in good health by the blessings of Allah SWT within COVID 19 pandemic. Heartiest congratulations for excellent start of 2nd semester online classes with multiplied spirit and initiative. You gave me few propositions in last meeting with you which I will discuss in next Dean's committee meeting and let you know the decision. Please be assured that our respected VC Sir is very sympathetic to the problems of students. I hope you were immensely benefited from financial and mob data support in 1st semester. Similarly you will get mob data and other support soon. We all, including your Chairmen and teachers are working relentlessly for you. I only expect you to remain safe and study hard for being established in life. Be always happy & cheerful with your family, be religiously motivated and support your parents. Feel free to communicate with me if you face any criticality.

May Allah SWT shower His infinite blessings upon you in this holy Eid ul Azha.
HAPPY EID MUBARAK TO YOU ALL.

Best wishes and prayers,

BG Azim, ndc, psc, G+, PhD
