

# ADMISSION NOTICE

**BANGLADESH UNIVERSITY OF PROFESSIONALS (BUP)**

A Public University Supported by the Armed Forces

Mirpur Cantonment, Dhaka -1216

Website: [www.bup.edu.bd](http://www.bup.edu.bd)

## **Department of Environmental Science (DES)**

Faculty of Science and Technology (FST)

**ADMISSION ON (Certificate Course)**

**Certificate Course on Renewable Energy & Environment (REE)**

**Certificate Course on Energy Management & Conservation (EMC)**

**(Session: January 2020)**

**BUP invites application from potential candidates for Certificate Courses under the Department of Environmental Science (DES), FST, BUP.**

### **Overview and Prospect of the Certificate Courses**

There is a growing sense of national and global urgency regarding carbon and climate change with particular emphasis on our energy system. Use of renewable source of energy, proper energy management and auditing could be an effective solution for global energy crisis. These courses will help to explore our wide range of traditional and renewable energy sources and how these options impact our environment and society. The participants will understand the importance of monitoring and controlling energy and resource consumption in industrial and commercial settings. How to develop and implement energy management programs and the way of conducting energy audits will be covered by the course.

The Employers of environmental science graduates include:

- **Industrial sector (compliance)**
- **Local governmental authorities**
- **Environment Agencies (EA)**
- **Department of Environment (DoE)**
- **Environmental monitoring organizations**
- **Environmental consultancies**

So better late than never! Start your carrier as an environmental expert and contribute to country's dream to achieve SDGs.
